Dear Norwest,

A quick letter to thank you for your recent involvement with the Optus Christmas Party at Luna Park.

The event was a huge success, which was due to the dedicated involvement from companies such as Norwest.

You have played an enormous part in the preparation and execution of this event and we would like to thank you for your contributions.

Both the client and guests on the evening said that it looked (and sounded) absolutely amazing and the guest experience is something that they have never had matched.

We sincerely love working with the Norwest team, from the time we first make the enquiry to the bump-out being completed. It is always so painless and we know exactly what to expect and we know that we're getting quality.

So thank you once again for all of the hard work and for standing by Aztech during this event and all of 2005. We are only ever as good as our suppliers.

We wish you all a happy and safe festive season and look forward to working with you in what looks to be an exciting 2006.

Kind regards,
