Dear Gra, Ray, Heath, Will Josh & Luke,

I trust this letter finds you well.

On behalf of Brisbane Festival 2009; thank you very much for your hard work and contribution in ensuring the success of this year's festival.

The Festival was extremely well received and we have had wonderful feedback from audience members, artists and media.

Without your contribution the Festival would not have been as smooth and as well received as it has been.

I look forward to working with you on future festivals.

Yours sincerely

Jono Perry
