Dear Chris,

This years Annual Golden Stave Charity Luncheon was another memorable event and I am taking time to personally write to you and thank you for supporting us once again with our fundraising efforts. This year the Golden Stave celebrated its 31st Anniversary with a "Back to the 80's" theme and on the day we raised \$450,000, a result we are very proud of considering the current tough economic climate. The feedback received as been that the lunch was one of the best ever.

Over 31 years, we have achieved a gross fund raising figure of now over \$11 million with 65% of that total being raised in the past 10 years. We now achieve a consistent result each year, something that we at the Golden Stave Foundation are very proud of. These results could not have been achieved without the support of many loyal people and organisations that have constantly supported us over the years.

The Foundation and the charities we support would like to personally thank you and all of the team at Norwest Productions for your support and assistance in helping us to make the day such a great success and I look forward to celebrating more Golden Stave anniversaries with you in the near future.

Yours sincerely,

Larry Warren
General Manager
