Dear Chris,

I am writing to thank you on behalf of NIDA and the Board of Directors for supporting us by providing sponsorship of Sound Production. Your contribution significantly added to the success of our celebration and was enjoyed by all who attended the event.

NIDA has been thrilled with the launch of our 50<sup>th</sup> year thus far. We have commenced our celebrations with our Artist in Residence 2009 taking up post on campus, and our collaboration with Currency House Publishing and NAISDA Dance College by hosting a public forum addressing the question: "Have our Indigenous Arts Outgrown Public Policy"?

On the 19<sup>th</sup> of February NIDA hosted 140 guests from the NIDA alumni family, politicians, key members of the Arts world, and media friends to the Official Launch of the 50<sup>th</sup> anniversary. And momentously, on the 21<sup>st</sup> of February, NIDA welcomed back more than 900 graduates for the reunion party of the century - all of whom thoroughly enjoyed your contribution to this event.

On behalf of everyone at NIDA, our staff, students and alumni, I thank you for your support. We have a wonderful year of activities ahead us of us as part of our 50<sup>th</sup> celebration. I hope to see you at NIDA events over the course of the year and look forward to working with you into the future.

Yours sincerely,
